Dear [redacted]

Well, this analysis is over. I was not able to get my [redacted] A, B/6 chapter to submit to [redacted] before July 20th, but I have been promised I will be named [redacted] A, B/6 [redacted] also we have gone to [redacted]. I hope to see them again this next week. The whole topic centers around [redacted] and I have written much the topic of chemotherapy for schizophrenia. I expect to be

about finances & other things when
next time. Then, I can do you
[redacted] until next week; I
don't know whether the climate is
completed yet.

Best regards to yourself
et ux.
